This Letter Head Memorandum (LHM) is written in response to an MLAT prepared by the Swiss authorities dated September 13, 2004. As a result of this request, the New York Office (NYO) of the Federal Bureau of Investigation (FBI) had to extensively interview a Cooperating Witness (CW), review a substantial amount of photographs and conduct a considerable amount of research. Since many of the individuals and organizations that were touched upon during this interview have been discussed by the CW in previous debriefing sessions, the NYO has enclosed a second LHM providing additional information from the CW relative to the topics covered. It should be noted that the information contained in the second LHM is not a full disclosure of all the information held by the FBI. The second LHM is being shared to give the Swiss authorities a better overview of the CW's knowledge regarding the subject matter.

On 11/3/2004, a CW known to the Swiss authorities, was interviewed at an undisclosed location. The interview was predicated on a request from the Swiss Federal Criminal Police who provided the FBI a list of 359 questions.

The first paragraph of the Swiss document refers to the source's testimony in the spring of 2001 in the United States of America v. Osama Bin Laden, et al. The source responded by stating that all of his previous testimony was truthful.
